May 21	Cross country Where??
May 22 - May 24	Principals' Network Meets
May 31 & Jun 03	Mid-term break

May 29 Staff

Thank you to all our families for your support this term

Great Student Achieving

Literacy:

It's good to be back for Term 2 and have our students ready to work together with teachers and staff in their learning.

After such an action-packed Term 1 and the excitement of our swimming relay team's effort in Sydney we have again a full calendar for Term 2.

It has been great to have Ms Nicholls teaching as a casual while Ms Vickery is away, with this arrangement continuing for the present.

Next Monday, teachers and staff will undertake their annual CPR and anaphylaxis training which is mandatory for staff in schools throughout NSW. This professional learning is important in supporting your child/ren's health and wellbeing.

Our Relay Team Media Stars

The Sydney trip for the State PSSA Swimming Championships was an experience of a lifetime for our team of Kaydence, D'Mitir, Jamarh and Ryne from the flight to Sydney through to competing at the Olympic Aquatic Centre where the 2000 Olympic swimming stars competed.

Our story featured in newspapers, on radio and television with so much interest coming from across NSW and interstate.

It was made extra special with you, our community, travelling all the way to Sydney to support the team - I'm sure we were the loudest and proudest there!

Thank you so very much for being part of this special event and again a great shout out to Weilmoringle PO and the South Bre Butchery for you wonderful support.

With the cooler weather approaching we can find ourselves with coughs, colds and the flu. If your child/ren are suffering from any of these symptoms, to avoid this spreading throughout the school it is a good idea to keep your child at home until they are feeling well again.

We thank you for your support in this.
